The Walking Horse Owners' Association and Tennessee Walking Horse Breeders' & Exhibitors Association have joined forces to promote 1 day riding clinics across the country in 2010. Certified Riding Instructors will be on hand to give guidance with riding etiquette and general horsemanship. This is a great way to start off the season by polishing your riding skills or obtain knowledge from a Certified Riding Instructor. These events are open to riders of all ages and skill levels. Participants are encouraged to bring their own horse if possible. A limited number of lesson horses will be available for the Mississippi Clinic.

For clinic applications go to the events page at
