***ADDITIONAL INFORMATION ON REVERSE!**

Stallion Breeding Reports

1. Stallion reports cover the period from October 1st through September 30th each year. The report must be postmarked from the country of origin no later than October 15th each year. It is the responsibility of the stallion owner or his authorized agent to see that the form is postmarked by this deadline.
If a mare has been omitted from a Stallion Breeding Report which was filed in a timely fashion, she may be added at a fee of \$10.
2. A penalty of \$100 will be assessed in the event of late filing.
3. The stallion report must be in the Association office before any foals of the breeding year will be registered.
4. All mares bred, listed by their registered names, complete with their registration numbers, as well as last breeding date will be required.
5. In the last column, indicate with the letter A, FS, N, P or S whether the mare was (A) artificially, (FS) frozen semen, (N) naturally, (P) pasture, or (S) if shipped semen is used. If pasture bred, give the dates the mare was put in and taken out of the pasture.
6. Refusal by any stallion owner to comply could result in the loss of privileges in the Association.
